# MPI Side Event at the Forest Day, COP13, Bali

## Drivers of deforestation and implications for RED(D) incentive schemes

# Presentations

---

1. **Deforestation thresholds and patterns in tropical countries  
(Michael Hüttner, MPI)**
2. **Governance and socio-economic drivers of deforestation  
(Gisleine Cunha Zeri, MPI)**
3. **Why incentives purely based on emission reductions will fail  
(Annette Freibauer, MPI)**
